

GET RID OF UNUSED OPIOID MEDICINE

Remember to get rid of unused medications, including opioids, when you are done taking the medicine. Leaving unused opioids in the home can increase the chance of other people finding and using them.

Younger children or pets may find them and accidentally swallow the medication. Find a medicine drop-off location or use an at-home medication disposal bag to get rid of extra medicine.

NATIONAL PRESCRIPTION DRUG TAKE-BACK DAY

Twice a year, in the Spring and the Fall, Prescription Drug Take-Back events are hosted by the Wisconsin Department of Justice (DOJ) and the Drug Enforcement Administration (DEA) and are coordinated locally by the Eau Claire County Sheriff's Office, Altoona Police Department, Marshfield Clinic Health System, Eau Claire City-County Health Department, and the Alliance for Substance Misuse Prevention coalition.

Program supported by the Eau Claire City-County Health Department and the Alliance for Substance Misuse Prevention. Funding for this project was made possible by the Overdose Data to Action (OD2A) cooperative agreement #6NU17CE925003-02-02 from the Centers for Disease Control and Prevention (CDC). The views expressed do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
